Komedy Kronicle

and some serious Kiwanis stuff, too!

Kiwanis Members:

Wow, just got my first board meeting under my belt. It went very well and fortunately everyone cut me some slack because I am a rookie! I am sure we will have a super year and am looking forward to it and I hope you are as well.

We have all of our committee chairs selected and we want to make sure 'everyone' is on at least one committee. You only get out of Kiwanis what you put in - so we ask you to get involved on a committee. We will be passing around a committee sign-up sheet over the next several meetings.

Some of the things we want to work on this year, beside having fun, is to increase our club membership with able and competent Kiwanian helpers. So, ask your friends and/or co-workers to join because YOU NEVER KNOW UNLESS YOU ASK.

We are going to get back into celebrating birthdays and anniversaries. We are going to start wearing our Kiwanis badges at meetings as well. **Dave Towne** is going to get us updated so all our members have a badge.

On Thursday night, 9/27 at the Chuckanut Manor Restaurant we had the installation and awards banquet. It was very nice and the food was great. A fitting end to President Mike's year. **(Mike's award is shown to the right, with the inscription wording.)**

We also had a garage sale on Saturday, 9/29 spear-headed by **Evelyn Morse** and with only 5-6 families supplying goods we netted \$442! **Rick Jiles** provided the space and **Erv Lindall** brought his 5th wheel and tables. Fortunately we missed the rains.

Thanks, members, for all your volunteering, and "let's get 'er done!"
